## SUMMER SCHOOL 2018

- Open to all school aged students!
- Four Days of fun ensemble strings tuition and musical games
- Suitable for beginners to advanced levels - 4 levels of ensembles
- Morning and afternoon tea supplied (BYO lunch)
- Beginner Violin class - Learn to play violin in 4 days! (we can supply an instrument if necessary)
- Children's classes for 5-8 y.o.

Central Coast Conservatorium has been holding Summer Schools for the past 19 years. Our program is modelled on our highly successful Saturday Morning Strings program and the popular Children's Music Program which has been developed by qualified early childhood educators.

### **OPTION ONE - Learn to Play the Violin in 4 Days - 4 x mornings**

Designed for total beginners as a fun and condensed introduction to violin playing, classes run in the

mornings as part of the Strings Summer School. Students may also add the Children's Music Program in the afternoons to make a full day of musical fun OR students may opt to only attend this morning session to Learn the Violin in 4 Days.

### **OPTION TWO - Four full Days of Strings Tuition**

For students who have been learning their stringed instrument for some time, join in one of our graded ensembles for group tuition, and final performance. As per the Saturday Morning Strings Program, there will be four levels:

#### **1. Mini String Ensemble**

Suitable for students able to play in first position and who have started reading notes. This group will be practicing fun catchy tunes with piano accompaniment.

**Grades: preliminary-G1**

#### **2. Junior String Orchestra**

In Junior String Ensemble, students will learn how to play together as a group, how to follow the conductor, refining bow strokes and sight reading up to 3rd position.

**Grades: G2-G4**

#### **3. Senior String Orchestra**

In Senior String Orchestra, students will enjoy challenging repertoire where the emphasis is towards technical perfection and musical interpretation.

**Grades: G5-G7**

#### **4. CC Chamber Orchestra**

Central Coast Chamber Orchestra is our top ensemble. Students are trained to play without a conductor. The emphasis is on musical

imagination and interpretation. This group will include musicians preparing for Opera in the Arboretum in March 2018.

### **Grade 7**

#### **ADDITIONAL ACTIVITIES:**

We will also offer instrument specific technique classes and general improvisation classes for Junior String Orchestra, Senior String Orchestra and Chamber Orchestra groups, where students work together on specific technical games and exercises and on techniques for improvisation.

#### **OPTION THREE - 4 x full days of fun in the Children's Music Summer School**

For students from 5 to 8 years old, we offer this four day summer school based on our popular Children's Music Program (CMP), developed by a team of highly specialised teachers experienced in the field of early childhood education.

**In the mornings** we will practice songs and singing games, chants & rhymes, beat and rhythm activities, percussion instruments and craft.

**In the afternoons**, we will form the CMP Summer School Choir and the Junkyard Orchestra and these two groups will perform at the concert at the end of the four days. All instruments will be supplied for the Children's Music Summer School.

#### **OPTION FOUR:**

**Combine Learn the Violin in 4 Days with the Children's Music Summer School**

Come along to the Learn the Violin classes in the mornings, then join the Children's Music Summer School students in the afternoons for choir and junkyard orchestra fun!

**\*\* Free Concert for friends and family on Thursday 18th January 2018 at 2.00pm in the Robert Knox Hall, 45 Mann St featuring all student groups**

#### **COSTS:**
