

Charmian Gadd & Friends
Live in Concert 20 September 2020 at 2pm
Greenway Chapel, 460 Avoca Drive Green Point

COVID-19 protocols

To safeguard the health of patrons and musicians the following COVID-19 protocols are in place:

Entry to the Chapel will be from two sides, Left and Right facing the performance stage.

The R entry will be accessible from the far terrace accessible around the back of the Chapel.

The L entry will be accessible from the main entrance.

R or L will be indicated on your [Trybooking](#) ticket.

When completing your booking form please indicate if ticket holders are from the same household and wish to sit together.

At Greenway Chapel, please make your way to either side R or side L at about 1.45pm, to sign in attendance.

For this manoeuvre to succeed patrons must be suitably assembled, keeping 1.5m social distance. Just before the start of the concert an usher will escort audience members to their seats.

Wearing a mask on entry to the Chapel is recommended. Latecomers will wait for an interval to be escorted to seats. You may remove masks during performances.

After each 30-minute performance the chapel will be vacated in an orderly fashion for a 10-minute break to cross ventilate the chapel to clear the air.

No air-conditioning will be allowed as it is not a hospital grade system. Advisable to dress accordingly. Hand sanitisers will be provided.

Package refreshments will be offered. Alternatively, patrons may BYO.

If you are feeling unwell, or have any symptoms on the day you will not be permitted to attend the event.

Patrons will be required to fill out a COVID-19 health declaration on the day prior to entry.

Should the COVID-19 situation escalate we may need to cancel the concert. Trybooking will refund the ticket fee less \$0.50cents or you may wish to donate the ticket value towards the Central Coast Conservatorium of Music String Scholarship Program.
