

COVID-19 protocols Event Protocols

To safeguard the health of our patrons, musicians and staff the following COVID-19 protocols are in place throughout our events. We ask that you please follow our procedures to ensure a safe experience for all.

- Please check in on arrival using the Service NSW QR Code.
- Social distancing protocols have been implemented. Please maintain a safe 1.5meter distance from guests, other than those from the same household.
- Seating has been arranged with appropriate spacing in between people as per NSW Health guidelines, with people from the same party seated together.
- Hand sanitiser will be provided at entry points. Please wash or sanitise your hands regularly.
- Although masks are not compulsory, you are welcome to wear one at your discretion.
- For the safety of our guests, patrons, staff and musicians, please remain home if you are feeling unwell or have shown any symptoms within the last 14 days, have recently been tested for COVID-19 and asked to self-isolate, or have recently returned from interstate travel.

Visit www.healthgov.au for the last advice and information about COVID-19, or contact the Coronavirus information Line 1800 020 080 for any health enquires

Please follow the protocols set in place to safeguard the health of everyone present at the venue and to help make everyone's Music Viva's 75th Anniversary concert experience a safe and memorable one.
