(Profile of) Peter David BRANDON

I have been a Central Coast resident for over thirty years. I am married with three adult children, all of whom have been students at the conservatorium.

I am a teacher of 35+ years experience having worked in both the private and public spheres. My professional qualifications include diplomas, degrees, and post-graduate research in music, history (modern and ancient), archaeology, mathematics and education.

As a member of the Conservatorium Board for the last six years I have endeavoured to provide a balanced viewpoint, from an educationist's perspective, in the decision-making processes of such. In the interest of providing a degree of continuity from the old board to the new board I feel that I will provide a vital link between the two.

Currently I am President of FOPAP (Friends of the Performing Arts Precinct) and with that organisation I am heavily involved in working toward the procurement of a Performing Arts Centre for the Central Coast, which will also house the Conservatorium (should it be the wish of the future Conservatorium Board).
