The Central Coast Conservatorium's Children's Choir

All Children enrolled in the Children's Music Program are able to join the **Children's Choir** free of charge! Not only will the students be showcasing their skills from the Levels classes but they will also learn the art of performance. Research indicates that being part of a Choir builds self-esteem and confidence, strengthens character, develops concentration, encourages teamwork and releases stress.

Good Bye to Mrs. Maloney

Sadly, Mrs. Selena Maloney will no longer be teaching the Intro to Music (ITM) and Level 4 Young Musicians Program (YMP) classes, due to family commitments. Mrs. Maloney has been an amazing and inspiring teacher and we would like to thank her for all her hard work and gentle, caring nature. Hopefully Mrs. Maloney will be back teaching with us some time in the future. We wish her all the best!

Hello to Mr. Rees

We would like to welcome Mr. Phil Rees to the CMP team! Mr. Rees (OAM) is an extremely talented and highly trained Teacher and Musician, and is the Musical Director of Central Coast Philharmonia Choir. Mr. Rees was awarded the Medal of the Order of Australia (OAM) in 2010 for services to music. He will be taking over Mrs. Maloney's ITM and Level 4 YMP classes on a Monday afternoon. We look forward to hearing fantastic sounds coming from the Mann Street and D1 buildings!

Head Of Program

At the end of this week, I am stepping down from my role as Head of the Children's Music Program due to family commitments. I have thoroughly enjoyed my time as HOP and am very thankful for the wonderful support I received from colleagues, students and families over the past four years.
