

SCHOOL GUITAR PROGRAM 2024

To Dear Parent,

Thank you for your interest in having your child participate in the school guitar program for 2024.

Music is a very rewarding pursuit and has been proven to enhance learning skills in other areas of schooling and personal development including better concentration, problem solving skills, fine-motor skills, self-confidence and teamwork.

The guitar program is run by the Central Coast Conservatorium of Music and for 2024, students will receive a 20 Min 1-1 lesson with one of our most experienced guitar teachers, Steve Smilie. We will no longer be running group lessons from next year as we feel that the switch to a 1-1 lesson format will significantly enhance the students' learning experience.

If you would like your child to participate in the guitar program for 2024, please complete the enrolment form below and return it to us as soon as possible. There will be limited spots available in 2024 and these will be allocated on a first in first dressed basis. Enrolment forms can be returned via email to the Conservatorium at admin@cccmusic.nsw.edu.au or in person at 45 Mann St, Gosford. They could also be returned to your child's school office administration team.
